PRODUCT DESCRIPTION

The TGC40 (ThunderX3 Gaming Chair) is a quality car-seat design gaming chair with a diamond embossed faux leather cover on the side. Primarily noticeable is the high headrest area and the diamond shaped upholstery at the back of the chair. Extra soft padding in the contact areas ensure a comfortable experience while seated for long hours.

From the living room to the gaming room, plan the next world domination from the comfort of your gaming chair.

ALL-DAY COMFORT

Extra padded seat with high headrest for all-day comfort and support.
With a high back rest, this chair can support even the tallest of Gamers seeking that extra headroom rest.

POWER NAP

A power nap will boost your memory, cognitive skills, creativity, and energy level. With the back rest adjustable up to 180°, you can lie straight down to power nap or just stare at the ceiling - whichever you prefer.

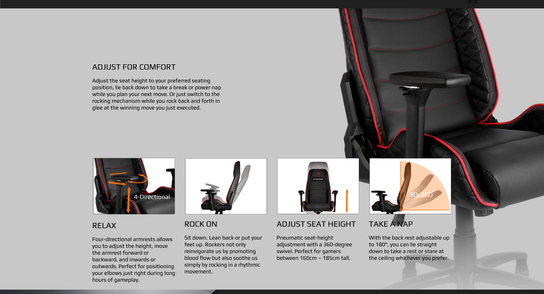
ADJUST FOR COMFORT

Adjust the seat height to your preferred seating position, lie back down to take a break or power nap while you plan your next move. Or just switch to the rocking mechanism while you rock back and forth in glee at the winning move you just executed.



RELAX

Four-directional armrests allows you to adjust the height, move the armrest forward or backward, and inwards or outwards. Perfect for positioning your elbows just right during long hours of gameplay.

ROCK ON

Sit down. Lean back or put your feet up. Rockers not only reinvigorate us by promoting blood flow but also soothe us simply by rocking in a rhythmic movement.

ADJUST SEAT HEIGHT

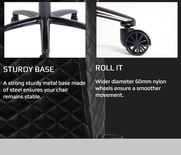
Pneumatic seat-height adjustment with a 360-degree swivel. Perfect for gamers between 160cm – 185cm tall.

TAKE AWAP

With the back rest adjustable up to 180°, you can lie straight down to take a rest or stare at the ceiling whichever you prefer.

BUILT TO LAST

It is the combination of quality, solid materials and mechanisms that make ThunderX3 chairs the better choice. The diamond shaped faux leather refined upholstery is soft to the touch and adds a dash of elegance.



STURDY BASE

A strong sturdy metal base made of steel ensures your chair remains stable.

ROLL IT

Wider diameter 60mm nylon wheels ensure a smoother movement.

LIFT IT

Class-4 hydraulic lift supports up to 150kg.

JUMP ON IT !

Tough metal frame ensures chair doesn't warp or break.
