GAMING MAT

Durable and versatile, our large gaming mats are an excellent way to protect your hardwood floors and support bare-foot gaming sessions. These mats ensure gaming chair swivel casters and wheels glide on the nylon surface without slipping. Crafted of 100% nylon, this comfortable mat has a latex backing to prevent sliding.

The mat is great for all areas of the home indoors or outdoors and also can be used to proudly display your affiliation with ThunderX3. The logo is inkjet-printed for a long-lasting design.
